Description of the task:

1. Draw the element I could have chosen from the triangle set if the following descriptions are true.
  - If the BASIC field is green then the SMALL field is not yellow.
  - The LARGE field or the MEDIUM field is red but neither of them are green.
  - The LARGE field is not red and the BASIC field is not green.
  - If the SMALL field is yellow then the MEDIUM field is not red.
2. Draw the element I could have chosen from the triangle set if the following descriptions are true.
  - If the BASIC field is red then the SMALL field is not yellow.
  - If the SMALL field is not yellow then the BASIC field is not red either.
  - Either the BASIC field is red or the SMALL field is yellow but only one of them is true.
  - If the SMALL field is yellow then the LARGE field is blue and the MEDIUM field is red.
